Why partners work with us

- **Direct billing.** We invoice the insurer or housing company; the family doesn't pay and wait.
- **Premium locations.** Whole family-sized homes in established neighborhoods, not hotel rooms.
- **Move-in ready.** Fully furnished, so families arrive with what they could bring.
- **Flexible terms** that follow the repair timeline, from a few weeks to many months.
- **Attentive, owner-run service.** One point of contact; issues fixed by the people who own the home.
- **Proven hosts.** Guests have stayed with us from 21 states and 7 countries.
